

# Hiring our space

Corporate, hens parties, baby showers, PR events

# What we do

Hire just the space or let us organise everything for your event

Our space offers beautiful sea views, spaciousness and it's zoned in a way that makes it very versatile and suitable for different types of events. Our bespoke table is suitable for lunches and meetings and we have the option to add extra tables. Conveniently located in the heart of Oneroa, it's easy to access from the ferry terminal.

We can rent out the space to you for a half day or full day but we can also offer planning services – a yoga class, cacao ceremony, rituals for baby showers, catering. The possibilities are endless.

For corporate and PR events we can also sort all the audio and visual equipment that you might need. Just leave it to us to plan every detail.
